Board of Directors meeting
Tuesday, October 26th
2:00 p.m.
To be held virtually

All homeowners are invited to attend BOD meetings, whether they are held virtually or at the Los Cocos Clubhouse.

The first portion of each BOD meeting is the homeowner's forum. During this time homeowners may ask questions of the Board, or make comments concerning items of community interest.

After this initial period, homeowners may stay for the remainder of the meeting, but are asked to remain silent.

Los Cocos Emergency Preparedness

Everyone has the recent Hurricanes on their minds. Our emergency will be a potential earthquake. Los Cocos has a monthly emergency radio test. Have you attended, and do you know how to work the radio? Do you have your emergency earthquake kit ready? Do you have a CURRENT family emergency exit plan? The plan is unique to each resident. Your plans should include the following:

- Where to go if your unit is severely damaged in an earthquake or other emergency. Answer: The Clubhouse first, and the tennis court if the Clubhouse is damaged.
- Where to meet your family members in the event of an earthquake? Choose at least two places, one close by and one farther away.
- Have all family members memorize the telephone number of a relative living outside of your area. Have everyone call the same relative and indicate their status. The designated person can then relay messages to your family.

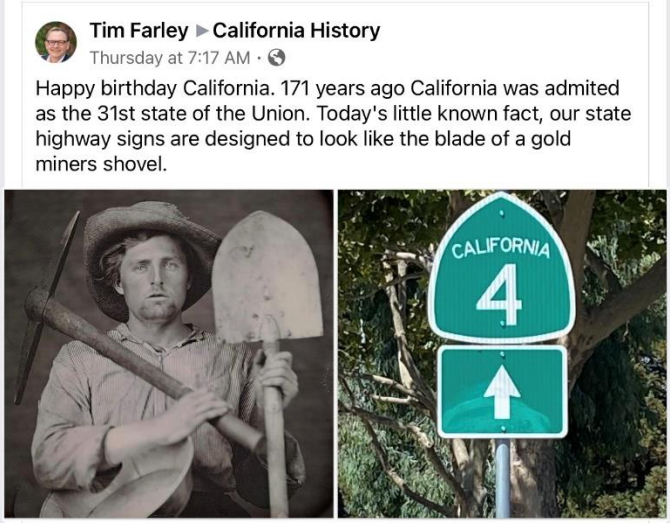

Do you have an AM/FM emergency radio? Remember to have a fresh supply of batteries on hand near the radio. **Note: Solar radios use NO batteries.**

Emergency Preparedness
Tuesday, October 5th
The Rancho Mirage Emergency Radio test will be held at 7:00 p.m.

In November, when most homeowners are in residence, the BOD will have a meeting at the Clubhouse for all Los Cocos residents. It is so important that all residents understand the significance of preparing for an emergency.

Please contact Rit Coletta with questions.
