Los Cocos Home Owner's Association, Inc. REQUEST FOR CANDIDATES

Dear Homeowner:

All homeowners should take every opportunity to protect and enhance their investments; one way is to take an active part in Association business. We strongly urge homeowners to become involved and to participate in the operation of association activities. By volunteering to become a member of the Board or by joining one of the committees (landscaping, architectural, etc.), you are helping to maintain the property in good and ever improving condition.

Anyone interested in standing for election to the Board of Directors of the Association should complete the *Certification of Willingness to Serve* and the *Candidate Qualification Form* on the second page. This is a reminder notice, as of the date of this mailing no applicants have been received for the two positions open on the Board of Directors. If the number of qualified candidates is less than the number of available positions, then the Board of Directors may fill those spots via acclamation.

If you are willing to serve your association, please provide the information requested and return to c/o Personalized Property Management, 68950 Adelina Road, Cathedral City, CA 92234 by Fax to (760) 325-9300 or via email to david@ppminternet.com. **Please return by October 31, 2023**

Sincerely,

David Schuknecht, PCAM, MBA

David Schuknecht, PCAM, MBA on behalf of the
Los Cocos Home Owner's Association, Inc. Board of Directors
